The moun-tain of the Lord's own house In these, the lat - ter days
There we will come to serve the Lord; To learn His ho - ly ways.
We'll cov'-nant there to fol - low Him In thought and word and deed.
Up - on this mount we'll find the peace Je - ho - vah can pro - vide.

Calls out for all to ga - ther in; To come with-out de - lay.
We'll learn the law that will go forth To guide us all our days.
Our lives will be the ban - ner strong To ga - ther Is - rael's seed.
No hate, no war, and no un - rest; In love we will a - bide.
