♩=90 Reverently

De - light - ful sab - bath, bless - ed day to cleanse my world - ly stains.
I take the Lord in - to my life by eat - ing of the bread.
As I ac - cept the blood Christ shed and res - cue He suf - ficed,

I bring to Christ my sac - ri - fice and plead to Him for grace.
His pow'r sus - tains as I re - main in faith by cov - e - nant.
Re - morse makes way for thanks and praise that I may bind with Christ.

The al - tar waits my of - fer - ing and draws me to the Lamb
His bro - ken bo - dy helps me see I too may o - ver - come
His pur - est blood made right the law de - mand - ing I be clean

Who broke a - part His per - fect heart to build the one I grant.
The mor - tal strain of death and pain through the A - ton - ing One.
To ev - er stay with God, then may with mer - cy He re - deem.
