Richard L. Graham

1. Life is meant to be a jour - ney, as we tra - vel on the roads,
2. We can make the world much bet - ter with our smiles and help - ing hands.
3. When our jour - ney is con - clu - ded and we take our fi - nal breath,

shar - ing love un - feigned and kind - ness, with all those we do not know.
We can al - ways make a dif - 'frence to all those who say they can't.
Do not mourn for us, our pass - ing are but jour - neys yet to go.

En - joy ev - 'ry mo - ment! En - joy ev - 'ry day!

Smile, and help each oth - er on their life - long jour - ney's way.
