1. We meet a - gain in Sab - bath School On this the Lord's own day,  
2. We meet a - gain, yes, glad - ly meet, To learn the will of God,  
3. Oh, hap - py day on which we meet With friends and teach - ers dear,

Where joy - ful glad - ness is the rule, And love doth bear its sway;  
For wis - dom seek - ing, that our feet May walk the nar - row road.  
And in this ev - er sweet re - treat Their bless - ed teach - ings hear;

Where all may join in songs of praise To him who reigns a - bove,  
O Fa - ther, let thy Spir - it dwell In ev - 'ry will - ing heart,  
With pre - cious truths our minds are stored, The gos - pel plan made plain.

And thank - ful hearts and voic - es raise For his re - deem - ing love.  
That we may love and serve thee well And ne'er from thee de - part.  
Each Sab - bath day, with one ac - cord, Oh, let us meet a - gain.
