Do you hear the sounds of Christmas
In a candle's flickering light,
In the murmur and crackling
Of a fireplace burning bright,
In the whisper of a snowflake Drifting downward

in moonlight? They're sounds of quiet, sounds of

peace - Echoes of that holy night.
Do you hear the sounds of Christmas
In a candle's flickering light,
In the murmur and crackling Of a fireplace burning
In the whisper of a snowflake Drifting bright, burning bright,
In the whisper of a snowflake Drifting

downward in moonlight? They're sounds of quiet,
Drifting downward in moonlight? They're sounds of quiet,
downward in moonlight? They're sounds of quiet,

dsounds of peace - Echoes of that holy night.
