1. One quiet night in Beth - le - hem, One rough and lone - ly man - ger bed,
2. One burst of an - gels from on high, One hum - ble prayer from shep - herds nigh,
3. One mir - a - cle to save man - kind, One shin - ing hope for all to find,

One star as bright as break - ing day, One ba - by nest - led in the hay.
One dream for ma - gi of their King, One babe to end all suf - fer - ing.
One heal - ing hand to ease the pain, One life to give, our lives to gain.

Sing out with joy on Christ - mas morn; Ring out the bells and sound the horn.
