(Lyrics for non-parent)

I love you so little child of mine.

I see ahead for you such great works divine.

You came to earth from our Father above.

You've given us an abundance of love.

We've come here today, your family and friends,

To witness the start of your blessings without end.

You'll learn and you'll teach. You will be guided through

This new beginning that's been given to you.
